The JHHS Assessment Center along with our excellent teaching staff has been working diligently together to ease any testing concerns about the new academic year. Whether your student is taking the new SAT (ISBE mandated) or National ACT, the understanding, preparedness and role of your student can raise many questions and concerns for parents/guardians. Our goal is to provide you and your student with the knowledge and strategies to make the best-informed decisions for your student's assessment needs.

In order to help prepare Hersey students for the National ACT exams, **JHHS will continue to offer an ACT TEST PREP SEMINAR for all JHHS & D214 Juniors from October-December 2017.** JHHS' program follows D214 test preparation guidelines and will offer students 6 sessions of instruction directed at improving their content and test skills for the ACT. *Enrollment in any D214 program gives students access to any other program offered by a D214 school.* You may call the Assessment Supervisor at any school for additional information about this and/or alternate programs.
