

TIP LINE (847) 718-4939

Hersey High School has added an additional tool to keep our staff and students safe, an anonymous Tip Line. The Tip Line number will be displayed on the Hersey home page. This line allows students or parents to quickly, easily, and anonymously report urgent information to school administration at Hersey. The Tip Line encourages students, parents and staff to confidentially report bullying, cyber-bullying, gang-related issues and other sensitive topics through private messages to school administration. Hersey High School does not support, encourage or tolerate any behavior that prevents any student from reaching their full potential.

Anyone in immediate danger should contact 911 for help or assistance, rather than using the Tip Line.
