**YAP meets Monday - Thursday at 4:30 PM
FVEC at Door #4**

Students needing transportation who also attend classes during the day will board a special PM route that will end at FVEC. In order to ride on this route, students will need to obtain a sticker on their ID that reads “YAP”.

The routes listed above will be the designated YAP route at each building. These were chosen based on the load count as well as taking into consideration the shortest route time.

Students can be dropped off between 3:30 PM and 4:30 PM. The contact for transportation information at YAP will be Norm Kane. This would include requests from counselors to add students to a route and to request stickers for student ID's.
