

How to request your official transcript for a Dual Credit Course??

As graduation approaches seniors who have taken dual credit courses anytime while at JHHS **MUST** send transcripts from the college granting the dual credit to the college they plan to attend. JHHS transcripts CAN NOT award you transfer credit, you **MUST** send an official transcript from the partner school to your future college. If you do not know what University partnered with D214 for your Dual Credit please go to:

<https://www.discover214.org/dual-credit-options>

Eastern Illinois University	Students should receive an email from the University near completion of the course to request their transcripts. However, a student does not need to wait until that email to request them to another institution.
Harper College	Students will request their transcripts through their MyHarper account. Students who forgot their information can reset their account or call Harper for more help.
National Louis University	Most transcripts can be ordered online, but if you need additional support you can call (847) 947-5718 or email (transcripts@nl.edu).
Triton College	Make sure you use firefox or chrome to request this as other browsers don't always work well.
Northeastern Illinois University	If you took the course within the last 18 months you would request your transcript through the NEIUport. The website will walk you through how to complete this request
Lewis University	There are three different ways you can get this transcript. You can do it online (or over the phone), in-person requests, or via mail. All instructions are on the website.
Moraine Valley Community College	Transcript requests can be made through your MVconnect account. Click on the website to the left for more information.
