

## STUDENT DRIVING AND PARKING INFORMATION

Parking permit application for the 2017-2018 school year are made available to **seniors only** and must be completed in their entirety and returned to the Attendance Office by June 9, 2017. Parking permits cost \$190 and will be awarded via a lottery system. Available parking spaces are limited so a completed application does not guarantee a parking permit. Juniors are not allowed to apply for parking permits until the end of the 1<sup>st</sup> Quarter.

Students are permitted to park on school premises as a matter or privilege, not right. The school retains the authority to conduct routine inspections of parking lots and the exteriors of student automobiles on school property. The interiors of student vehicles may be searched by school authorities without notice, without student consent, and without a search warrant (105 ILCS 5/10-22.6).

Students are required to secure parking permits for use of cars and other motor-driven vehicles that will be parked in designated areas. Such vehicles may be removed from the designated areas only at approved times. Regulations governing the use of school parking lots shall be developed by administration. Noncompliance with these regulations can result in suspension or revocation of a student's driving privileges on school grounds and/or suspension from school. It may result in towing the vehicle at the student's/owner's expense. Information as to the school's and parent's/legal guardian's liability will be included in the request for the parking permit.

Students are responsible for paying for their towing and storage expenses incurred from parking violations. The speed limit on school property is 10 m.p.h. Municipal and State driving laws will be enforced at all times. School Board policies and school insurance do not cover damage or harm to private vehicles. All losses must be assumed by the owner of the vehicle.

Students may leave school grounds in vehicles only during their lunch period or to attend a District 214 approved curricular program. If you need to leave school grounds other than at lunch or for a District 214 approved curricular program, you will need parent/legal guardian permission and administrative permission. Parking privileges may be revoked without a refund as a consequence of misbehavior. Examples of misbehavior that may result in revocation of parking privileges include, but are not limited to: cutting class, excessive tardiness, insubordination, hallway disruption, substance abuse on or off campus, reckless driving, and disrespect.
